## The CLYC Junior Sailing Program

We have introduced 65 kids (and 7 adults) to the sport of sailing over the last three years. It has been a labor of love for the six coaches. We are committed to expand the program to reach more kids with ever more advanced training.

The results have been gratifying. Stephanie Schenkel fleet raced all Summer. Zach and Isaiah Grant actually participated (5th place) in our Hog Wild Regatta. And Zach reports that he is the only Culver freshman to make the 11 man

varsity sailing team. He will be sailing every weekend this Fall at venues all over the United States (New Orleans, Connecticut, Detroit, Chicago and more).

The program has been successful, **BUT WE NEED YOUR SUPPORT.** If you have a Sunfish, a Laser, a Force 5, or an MC Scow that is not getting much use, consider loaning it to us or donate it for tax credit! Jack McArdle donated his Force Five just last month. The boat is no longer in racing form

but it will make an excellent training platform for Clear Lake youngsters. And Jack will get full credit for the donation on next year's tax return. Contact Jim Grant (260) 503-9288 — we will gladly store donated boats over the winter.

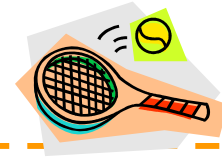

*The next  
WindWord  
deadline is April 15  
of 2009 — Have  
a Good Winter!*

## The Flying Scot Fleet Finishes a Six Race Sunday Series

Five boats participated in the Sunday Series this year. Jim and Jody Horein were clearly the class of the fleet. These races always begin on the first Sunday in July. They start at 11:00 in the morning. The racing is quite informal with simple gate or "rabbit" starts. The racing continues until noon (one hour) and the lead boat at that point records finish positions as the next mark is rounded. Next year we hope that some of the junior sailors will join us. And, of course, we intend to continue the Wednesday night sailing next Summer which is intended primarily for the juniors.

## From the Tennis Courts

Junior Tennis is alive and well at Clear Lake. There were 21 junior players who participated in the free lessons in July. Thanks to Leo Weber, Jay Ludgate and Barb Wenger for organizing the lessons. Also thanks to Jennifer Rockhold, Sandy Ginn and Megan Morris for filling in as coaches.

We now have a brand

new Ball Machine for the use of our tennis members. See the sign on the shed to determine who has keys for access. This is a great way to improve your game.

On August 2<sup>nd</sup>, the tennis members enjoyed a Mixed Doubles Round Robin followed by the famous Lobster/Steak cookout. It was

a special evening. Thanks to all the cooks and the organizers.

We look forward to even greater interest in tennis next summer. We encourage all CLYC members to pay the small "Tennis Membership fee" next spring so that you can join in the fun!

## Ski Club Plans a Golden Year in 2009

The skiers were still drying off after the successful Ski Show several weeks ago when the members met to elect new officers and start planning for next year.

Next year is special. It marks the 50<sup>th</sup> anniversary of the first Ski Show. Next year's show is already set for Sunday, July 26, 2009, and plans are in the works to celebrate the Club's history. One event will be a dinner at

the club the evening before the show, on July 25. The hope is many past members of the Ski Club will attend to reconnect with friends and skiing buddies, and share experiences with the current group.

The Ski Club is also trying to locate old photos, video or antique skis or equipment for all to see. If anyone can help with this, or past members want to participate with the club in any way next

year, please contact Kim Jerger at [kjerger@ameritech.net](mailto:kjerger@ameritech.net) or 513.465.6342.

Congratulations and many thanks to outgoing president Chelsea Pritchard and the large number of volunteers who worked to make the show a success this year. The new officers for the next year are:

Sara Matasick, President  
 Abby Jerger, Vice President  
 T. J. Butler, Treasurer  
 Amelia Rockhold, Secretary
