Pasta Night Proceeds To Breast Cancer Research

On June 23, Kit & Eric Tyler and Jennifer Carricarte will be hosting the third annual Pasta Night TGIF. This year, in addition to enjoying pasta and camaraderie, members will also have the opportunity to donate to a worthy cause.

All donations will be going to support breast cancer research through the Susan G. Komen Breast Cancer Foundation and the National Philanthropic Trust Breast Cancer Fund. The Susan G. Komen Foundation is a global leader in the fight against breast cancer and has a mission to eradicate breast cancer as a life threatening disease. The National Philanthropic Trust is an endowment to assure that breast cancer research is an ongoing priority.

Kit Tyler will be participating in the Michigan 3 Day Walk for the Cure, a 60 mile walk over 3 days to raise awareness and funds in support of breast cancer research.

In addition to donations for the meal, there will be other opportunities to donate, including prize drawings. Please plan on joining us for an evening of great food, wonderful companionship and the opportunity to support the fight against a disease that has had impact on almost all of us.

If you would like to make a direct donation to the Breast cancer 3 Day, in support of Kit Tyler's fundraising efforts, you may use this link:

Commodore's Corner / Rick Johnson

Dr. Robert Jensen has donated his C Scow to the Sailing School. We are extremely happy to introduce this high performance boat into our school program. Everyone note that the boat will be available for all members and guests to sail at any time — during races or just for pleasure. All necessary gear will be stored under the cover just as it is with the club MC Scows and the Flying Scot so keys to the storage shed are not needed.

And everyone be sure to thank Dr. Jensen when you see him!

By the way, let me emphasize that the school is a certified non-profit entity so tax deductions can be obtained for donations like this.

The board is considering options to increase parking at the club. We could pave the land along the channel on the Northeast side of the club or lease wetland across the road from the Dickes's or lease land from the own-

ers of the Roecke property or pave the road across from Tony Gay's or use some of the land at the tennis courts. I have listed these options in order by decreasing cost per space. If you have comments or opinions contact a board member.

We are in the process of obtaining new tables (round ones) for the club and new Adirondack furniture for the deck and lawn in front of the club.

Sailing Camp A Great Success!

Twelve students spent four days in early June at CLYC learning sailing. We had great wind (not too much and not too little) so a great time was had by all.

The participants were: Rudy Koesters, Jarrett Beck, Tanner, Zack, Isaiah, and Seth Grant, Jan and Russ Watson, Jessica and Amber Hipskind, Scot Fraser, and Michael Loos.

We owe a big THANK

YOU to the four coaches: Bob Grimes, George Schenkel, Jack Sanderson, and Jim Grant.

A couple of additional short sailing camp sessions are in the planning stages. There will be more about this in the next issue of the WindWord so keep an eye open for it!

will continue to pay your tabs promptly.

The Bar is always open from about noon until things slow down on Saturday. And, of course, it is open on Friday nights for the TGIF. The bar is closed Sunday through Thursday.

Last year we all attempted to pay our bar tabs at the end of each day or, at least, at the end of each weekend. This helped restore order to a record keeping system that leaves a good deal to be desired. We hope that you

WindWord Clear Lake Yacht Club

From the Sailing Chairman Jack Sanderson

It is still very early in the sailing season but a good deal has happened. The Hog Wild Regatta was a wonderful event. Thanks to everyone who helped make it that: Sandy Cochran, Connie Grant, Judy Stenger, Julie Zacharich, Karen Horrell. These gals were in the club house working the whole time we were on the water having fun! And special thanks goes to John Cochran for making the best trophies I have seen. The race committee also deserves special thanks. Allen Becker supervised with a steady hand. Leo Weber, Larry Schavey, Bob Grimes, Kathy Latz and Bob Lewis ran the safety boat and the committee boat and recorded finish positions.

Participation at our club races on Saturday has been excellent. There were 23 boats out on Week 3 and 16 on Week 4 (June 17). John Cochran, Jack Sanderson, Brian Barr, Stan Robertson, Jim Horein, and Jim Grant have been winners so far but there is a good deal of racing left in the season.

Ski Club News Chelsea Pritchard

High school grads and college students will be part of ski team this year as well as all younger kids. Meetings are at 9:00am on Saturday mornings followed by practice when possible.

July 8 is Fun Day at CLYC

Car Wash is July 15 from 10 to noon at CLYC — donations are appreciated.

Sleep over at CLYC July 23

Tentative Cook Out scheduled for July 16 at 6 pm at CLYC.

We will be selling raffle tickets at TGIF as a fundraiser. Tickets will be \$5 each or 5 for \$20. The prizes are still to be determined but donations from Wayside Furniture, Clear Lake marina, Ride the Wave, Clay's, a \$50 gas voucher from the marina and more have been promised. By the way additional donations are welcome! Call Chelsea Pritchard.

The drawing will take place during the ski show on July 30.

Regatta A Hog Wild Success!

Nineteen C-Scows and Ten MC-Scows turned out for the Clear Lake Hog Wild Regatta. There were ten off lake Cs and five off lake MCs. The wind on Saturday was light and shifty but one race was possible. A second race was started but abandoned as the wind shifted to make the course a series of reaches with little opportunity for passing.

Phil Weiler from Cowen Lake won the MC class followed by John Hans from Diamond Lake and Jack Sanderson and Jim Grant and Bruce Matasick from Clear.

Our own Brian Barr with son Matthew won the C class followed by Glen Walborn of Spring Lake, MI, then Jim Flood of Grand Rapids, MI, then John Cochran (Clear) then Martin Barr of Lake Beulah, WI, then Ted

Keller of Torch Lake, MI.

Isaiah (shown here) and Zach Grant Sailed their first regatta in a Club MC. They capsized on Sunday but righted the boat and continued sailing (after a short shore visit).
